In pas - tures green he lets me lie at lei - sure,  
I will not fear, for e - vil can - not touch me;  
Your pre - cious oil an - oints my head with kind - ness;

by qui - et wat - ers leads me at his plea - sure;  
with you be - side me foes may nev - er crush me.  
my cup flows ov - er with a heart of glad - ness.

there in his love he gra - cious - ly re - vives me.  
 Your rod and staff are there for my pro - tec - tion,  
 Good - ness and mer - cy shall for - sake me nev - er,

For his name's sake in right - eous ways he guides me.  
 they com - fort me and of - fer sure di - rec - tion.  
 and in the LORD's house I will dwell for ev - er.
