

Psalm 54

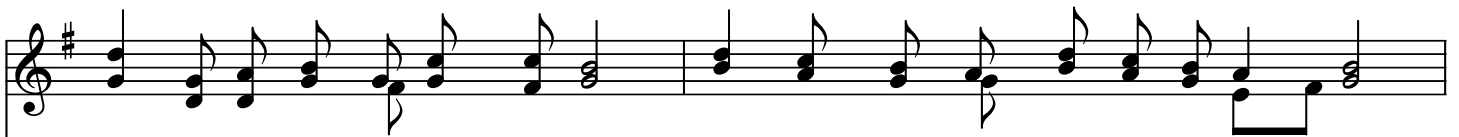

Tune: Geneva, 1562

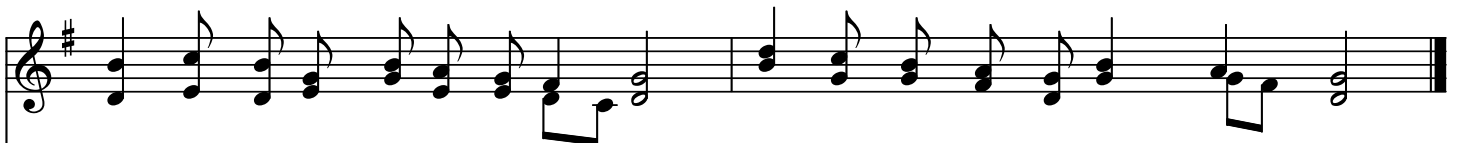

1. Save me, O God, by your great name, and by your power vindicate me;
2. Surely will God come to my aid; the Lord sustains me in his mercy.

now hear my plea, O God, I pray you, and listen to the words I speak!
May evil plots recoil on my foes; be faithful, put an end to them.

In - so - lent men are hounding me; those of a ruthless disposition
Gladly I sacrifice to you and praise your name, so full of kindness;

all seek to put an end to my life, such people give no thought to God.
from every trouble you deliver, my eyes shall see the victory.
