1. O God, come to de - liv - er me! Make haste, O LORD, to give me your aid!  
2. May all who seek you in their hearts re - joice and take de - light in your ways!

Let those who seek to put me to death now be con - fused and put to shame.  
May those who love your great sal - va - tion ev - er pro - claim that God is great.

Let them be thwart - ed and dis - hon - oured who seek in vain to do me harm.  
But as for me, so poor and need - y, hur - ry to help me, O my God!

May they turn back in ut - ter shame who scorn and hold me in de - ri - sion.  
You are my sav - iour and my aid; do not de - lay to bring me com - fort.
