

Psalm 121

Tune: Geneva, 1551

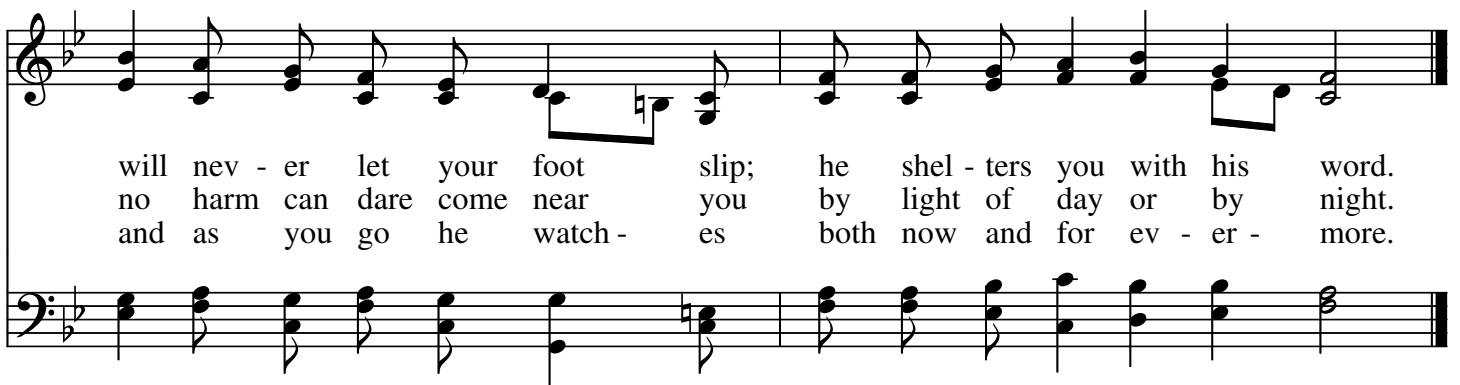

$\text{♩} = 60$

1. I lift my eyes up to the hills; from where is help to come?
2. The Lord who watches Israel will slumber not nor sleep;
3. The Lord will guard you from all harm and cast his eyes on you;

My help is in the Lord. He who has made both heaven and earth
he keeps you in his sight. With God remaining close at hand,
your life he will restore. He will regard you as you come,

will never let your foot slip; he shelters you with his word.
no harm can dare come near you by light of day or by night.
and as you go he watches both now and for ever more.
