1. Out of the depths I call you, Lord, listen when I cry!
2. I wait up - on the Lord God and trust his promised word.

Hear me in your compassion and heed my restless sigh.
More than I long for day - break, my soul now seeks the Lord.

If you should mark trans - ges - sions, Lord, who of us could live?
O Is - rael, trust the Lord God and his un - fail - ing grace,

But we will glad - ly praise you, for you in grace for - give.
for he is full of mer - cy and saves our sin - ful race.
